

# World renowned Wing Chun Grandmaster Wan Kam Leung will be here in Eugene to teach a series of workshops.

Leungs Martial Arts proudly presents: Wing Chun Grandmaster Wan Kum Leung.

Wing Chun is a Martial Art made famous by the late BRUCE LEE and the movie IP MAN. Wing Chun is a fast and powerful martial art created by a woman. This is a martial art that uses angle of strike, biomechanically sound structure, and appropriate timing to enhance speed and increase the power of attack. This is the reason why a petite person can use this art to defend against attackers who are bigger.

Master Wan Kam Leung is well known in the Martial Art World. Master Wan not only possesses superior Wing Chun skills, he also practices Qi Gong for power and health. He is here in Eugene to share his art in Wing Chun and Qi Gong.

**All sessions are open to both beginning and advanced students. There will be assistants available to assist new students of the arts.**
